

ADAM WITH ANIMAL

A magical story for children

1

Adam, with his bright blue shirt and sandy hair, skipped into the sunny woods. He carried his favorite book about brave knights. Suddenly, a fluffy red fox with big, curious eyes peeked from behind a tree. "Hello!" Adam said with a friendly smile.

The fox tilted its head, its bushy tail twitching. Adam held out his book. "Want to hear a story?" he asked. The fox crept closer, its bright eyes fixed on Adam's blue shirt. It sat down, ready to listen.

Adam opened the book, showing the fox a picture of a knight. He began to read in a clear voice. The fox listened carefully, its ears perked up, as Adam told the exciting tale.

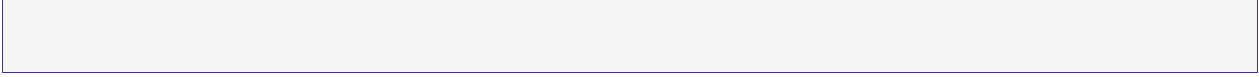

The knight fought a dragon! Adam made roaring sounds, and the fox wagged its tail faster. It nudged Adam's blue shirt with its nose, wanting more of the knight's brave story.

Adam read about the knight's shiny armor. The fox seemed amazed, its eyes wide. Adam smiled. He was happy to share his story with his new friend.

When the knight won, Adam cheered! The fluffy red fox barked happily, jumping up and down. Adam giggled. "You liked it!" he said to his new friend.
